SUMMARY

Motivated and detail-oriented software developer with hands-on experience in front-end technologies and a growing foundation in backend systems. Skilled in JavaScript, Python, and modern web frameworks. Experienced in building scalable, high-quality applications with strong problem-solving abilities demonstrated through solving 300+ LeetCode challenges. Focused on applying full-stack development skills, programming expertise, and system-design understanding to deliver robust, efficient, and industry-standard software solutions.

SKILLS

- Node JS, Express JS, FireBase
- React, Angular, React Native
- Tailwind, Bootstrap

- HTML, JavaScript, TypeScript, CSS
- MongoDB, SQL (Learning)
- Git, VS Code

WORK EXPERIENCE

Appginie Pvt. Ltd. – React JS Developer (Intern) (3-Month Internship)

Developed responsive and interactive user interfaces using React JS. Collaborated with the team to implement, test, and optimize frontend components. Gained experience in component-based architecture, debugging, and Git version control.

Co-Startup-App – Frontend Developer (React Native)

Developing and maintaining mobile interfaces in React Native. Working closely with backend APIs and Firebase integration. Implementing reusable components and performance optimization.

RELEVANT PROJECTS

Online JavaScript Compiler – Personal Project (React and Node + Socket.io)

Developed a real-time collaborative online JavaScript compiler using React, Node.js, and Socket.IO, enabling multiple users to write, execute, and sync code simultaneously with live updates. Live on Render.com

Audio Book Platform – Personal Project (Angular)

Built an intuitive platform for streaming audiobooks with modular architecture. Integrated authentication and data management using Firebase. Live on GitHub Pages

Trip – Personal Project (React + Firebase)

Designed and developed a travel app to explore Delhi's tourist attractions. Implemented structured data handling, Firebase CRUD operations, and responsive layouts. Live on GitHub Pages

EDUCATION

Master of Arts (MA) – IGNOU

Bachelor of Arts (BA)
